Subject: ESI Search Terms
Attachments: Defendants' Proposed Search Terms(11739456.1).docx

I attach our proposed searches for the Phillies, and those with documents within the possession, custody and control of the Phillies, to run.

We reserve the right to request additional searches at a later date, and our proposal of these searches does not obviate the need for individuals to locate and identify responsive documents and files of which they are aware.

Please tell us who you propose as the appropriate custodians and/or departments for searching. Also, please let us know by Thursday what your position is with respect to running these searches, and when you can conduct the searches.

Regards,
Matt
